### OFFICER STRUCK BY GUNFIRE 4000 BLOCK EAST ELMWOOD

The Tucson Police Department seeks public assistance with identifying and locating the suspect(s) responsible for **shooting one of our patrol sergeants** on the early morning of November 18, 2012. The shooting occurred during the investigation of two separate audible alarm incidents that occurred at a residence in the 4000 block of East Elmwood. At approximately 1:43 a.m., officers from Operations Division Midtown were advised of an audible alarm that was coming from the residence. The first officer to arrive in the area encountered an adult male in the yard of the residence. The officer gave the suspect verbal commands in an effort to control the male until other officers arrived to assist. However, the male did not comply with the commands and instead began running from the residence. Several officers searched for the male for approximately 1 hour, but were not able to successfully locate or identify him. Upon further investigation at the residence, it was discovered that entry had been made in to the house. Officers were able to lock up the house before ultimately concluding their investigation and leaving the area shortly after 4:15 a.m. Approximately 1 hour later, at 5:15 a.m., officers were advised of a second audible alarm coming from the same residence. **Sergeant Robert Carpenter** arrived at the residence within a minute of the alarm notification. There were obvious signs of forced entry to the residence. As such, Sergeant Carpenter and two patrol officers conducted an interior check of the house to determine if any suspects remained inside. No one was found in the residence or on the property. Shortly after Sergeant Carpenter and the officers exited the residence, they heard a loud noise, and Sergeant Carpenter fell to the ground. Sergeant Carpenter appeared to be injured. However, the cause of the injury was not immediately known. Emergency medical personnel from the Tucson Fire Department responded to the scene and ultimately transported Sergeant Carpenter to a local trauma center for additional medical evaluation and treatment. It was discovered that Sergeant Carpenter had been shot in the head. After emergency surgery was performed, he was listed in stable, but critical condition. Sergeant Carpenter's family and friends have been able to be with him at the hospital, where he will remain for an undetermined amount of time.

Officers from throughout the city were advised of the incident and asked to respond to assist with the coordinated effort that was initiated to locate the suspect. In addition to the **patrol personnel, the entire SWAT team, all available K-9 units, and the Air Unit responded to assist with the search.** The neighborhoods in the area of East Broadway Boulevard and North Alvernon Way were searched extensively. However, the suspect was not located. The coordinated search efforts concluded at approximately 1:00 p.m.

## NEWS RELEASE

Roberto A. Villaseñor

Chief of Police

Detectives from the Homicide Unit responded as the primary investigative entity for the officer-involved shooting incident. Homicide Unit detectives are routinely tasked with primary investigative responsibilities on all officer-involved shootings. Detectives from the Burglary Unit also responded to assist the Homicide Unit due to the fact that there was indication that multiple burglary attempts were made at the same residence within a few hours on the early morning of November 18, 2012. The homeowner was contacted and cooperated fully with the investigation. As is standard practice in all officer-involved shooting incidents, investigators from the Office of Internal Affairs responded as well to conduct a parallel, administrative investigation.

At this time, the Tucson Police Department continues efforts to identify both the suspect(s) and motive(s) associated with the shooting incident. The male who fled from officers after he was found in the yard of the residence when officers responded to the first audible alarm is being **sought as a person of interest** in relation to the officer-involved shooting incident. He is described as a **Hispanic male, 20-30 years of age, 5'08" tall, weighing approximately 160 pounds, with a shaved head.** He was wearing a **dark blue jersey with the numbers "43" in large red lettering and outlined in white as well as light colored blue jeans.** It is believed that he may have arrived at the residence on a bicycle and may have been wearing a baseball-style hat. A photograph of a hat that the male may have been wearing can be seen below.

**Sergeant Robert Carpenter, 46-years of age,** is a nearly **12-year veteran** of the Tucson Police Department. He is currently assigned as a patrol sergeant in Operations Division Midtown and supervises a midnight shift (9:00 p.m. to 7:00 a.m.). His departmental photograph is included below.

The Tucson Police Department urges anyone having information about the identity or whereabouts of the suspect(s) to call **911 or 88-Crime**. In addition, a **monetary reward** is being offered via 88-Crime for information that leads to the arrest of the individual(s) responsible for the shooting incident. Additional monies are being raised to contribute to the award amount.
